Dear Member

I hope you are all keeping in good health. I am sorry that we have not yet started our 2021/22 winter programme but the Committee is having difficulties in finding speakers. Therefore we have decided that this winter's programme will be curtailed and start in January. I will let you know the date in due course. We are very disappointed about the delay. In addition the large room at the Community Centre is not available on Thursday evenings. We believe this room provides the best flexibility for social distancing and so meetings just for January, February and March 2022 will be on a Tuesday evening at our usual time of 7pm.

It would be helpful to know whether you are prepared to attend meetings given the present covid situation.

We will do our best to return to normal, whatever that might be, in the future. In the meantime we thank you for your continuing support.

Best wishes
Dave Batty
